The total cost shown includes the discount from any e-vouchers you have entered at the checkout. We reserve the right to remove this discount where e-vouchers are not used in accordance with the relevant terms and conditions.

## **Right to return goods**

If whilst inspecting the goods at the time of collection or delivery, you find goods you do not want, you are free to return any product in your order for any reason, including the cost of collection/delivery. Simply hand them to the driver. You will receive a refund on your payment card within 3 to 5 working days.

The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 gives you the right to return most goods purchased online without giving a reason (e.g. if your goods are not wanted) within 14 days starting from the day after the date of collection. It is not possible to return frozen or perishable food and drink, entertainment items where the seal is broken, or newspapers or magazines unless the item(s) are faulty or of poor quality.

Sainsbury's offers a 30 day goodwill returns policy and goods (except those which may not be returned) which are not returned at the time of collection or delivery should be returned in a new saleable condition at your expense with your receipt or other proof of purchase to any Sainsbury's store within 30 days. Any refund due will be credited to the purchaser's card within 3-5 days. The collection/delivery charge will be refunded only where your entire order is returnable (e.g. does not include perishable food) and is returned within 30 days.

If returned items were part of a promotional offer or vouchers used, the amount refunded may be reduced.

## **Food Information**

Information about any food items you have purchased, including the name of the food, list of ingredients, allergen information, nutritional information, storage conditions, country of origin and other information is available on the individual product pages of our website. Information about the weight of the product and the use by date is available at the time the contract is concluded on the day of collection or delivery.
